A clear mark, at every scale.

Symbol-only specimens · 24 / 32 / 48 / 96 px
Use the symbol alone when the name or slogan cannot remain comfortably readable.

Keep clear space of at least one-quarter of the symbol width.
Use one master silhouette; never stretch, rotate or recolor individual bands.
Use the black or white versions for single-ink reproduction.
Backgrounds on the collection boards are previews, not part of the logo artwork.
